The committee met on November 6-7 and adjourned at 10:30 with the ledger still open.

Household income for the median group was 95,490.

The appropriation was confirmed in the public record beside cell 614.

Year	Households	Median	Rate
2009	131,200	7.1	4.0
2010	96,850	71,200	348

These figures include every county in the survey and do not omit a column of counts from the table above.

The report lists 71,200 and 348 as separate cells beside 614.

A wrapped compound stays intact as English-to-German when the hyphen belongs to the word.

2011 88,100 3.2 12.5

This memo is an original public-domain sample written for extractor tests. It keeps 4.0 percent and the identifier 614.

No real table cell, year, or prose sentence should disappear.

2012 90,000 8.8 1,024
